Giza Pyramids Complex The first stop on your Cairo adventure is the world-renowned Giza Pyramids Complex. These magnificent structures, built over 4,500 years ago, stand as a testament to the incredible engineering skills of ancient Egypt. Marvel at the three iconic Pyramids, the smaller satellite pyramids, and the awe-inspiring Great Sphinx.

> **The Great Pyramid**: The last surviving wonder of the ancient world, the Great Pyramid was built for Pharaoh Khufu. Standing 147 meters tall, this monumental structure is as impressive today as it was when it was built around 2600 BC.
>
> **The Great Sphinx**: Carved from a single block of limestone, the Sphinx is a symbol of strength and wisdom. Built to guard the pyramids, it is a timeless masterpiece of ancient artistry.
>
> **The Valley Temple**: Discover this sacred temple, where mummification rituals were performed to preserve the bodies of pharaohs before their journey to the afterlife.

The Grand Egyptian Museum Next, head to the newly opened Grand Egyptian Museum. This vast museum houses some of the world's most extraordinary Egyptian antiquities, including the famous treasures of King Tutankhamun. Explore the stunning displays, including statues of pharaohs, royal regalia, and monumental artifacts dating back thousands of years.

Lunch Enjoy a delicious lunch at a restaurant offering stunning views of the Pyramids or the Nile. Take in the views while savoring a

traditional meal.

The Egyptian Museum After lunch, visit the original Egyptian Museum, located in the heart of Cairo. This historic museum, built in 1901, is home to an incredible collection of artifacts that chronicle the rise of one of the world's greatest civilizations.

Al-Muizz Street and Khan El Khalili Bazaar Stroll through the atmospheric Al-Muizz Street, which dates back to the 10th century, and explore the bustling Khan El Khalili Bazaar. This vibrant market is the perfect place to shop for unique souvenirs and experience the sights and sounds of Islamic Cairo.
