Join [Your Egypt Tours](#) on a relaxing ride on a hot-air balloon across the Nile River's West Bank. Admire the beautiful landscapes and ancient monuments of Upper Egypt as you hover above. This is a perfect tour for travelers looking to take unforgettable photos of their journey through Luxor.

Upon transferring from your hotel or Nile Cruise, you will follow a safety briefing and be introduced to your pilot and ground crew. Rise into the still-dark sky and enjoy an atmosphere of tranquility and beauty as the sun rises, illuminating the city of Luxor and its surrounding mountains.

To the east, you will see [Karnak Temple](#) greeting the morning sun, while to the west you will find the magnificent [Hatshepsut Temple](#). You can also admire the Colossi of Memnon and if the wind permits, you will fly over the Ramesseum Temple for an incredible aerial view of the complex.

In the distance, you will find the Valley of the Queens, which sits peacefully in the mountains. Your dedicated landing crew and support van will follow your hot-air balloon and be on standby to provide you assistance while disembarking. The ride will last approximately 30 minutes to an hour.
