An professional Egyptologist will join you on your private tour, allowing you to begin your journey at your hotel or the pier. You can choose how much time to spend at each fascinating area to guarantee that your trip is special and unforgettable.

In 312 B.C., the legendary conqueror Alexander the Great established Alexandria, which became the hub of Greco-Roman Egypt. Your tour begins in the underground magnificence of the Kom El-Shokafa Catacombs, an ancient cemetery where the artistic talents of the Roman and Egyptian people mix to produce truly stunning structures. Once you go into these graves, you will discover the prestigious Hall of Caracalla, an ancient relic buried beneath the surface of history.

The Alexandria Library will greet us with its stunning modern architecture as soon as we emerge above ground. This stunning Norwegian-designed work of art contrasts sharply with Egypt's old ruins. This library is among the best in the world, with copies of every published book, Egyptian history displays, and a magnificent collection of rare manuscripts (for an additional fee).

Your tour concludes with the towering Qaitbay Fortress, which lies on top of the former location of Alexandria's Great Lighthouse. There, enjoy taking in these magnificent views and feel the weight of history before being taken back to your hotel in Alex, where you will have a lot on your mind after such an adventurous day
