tour.overview

In Your Egypt Tours travel agency, we have a strong belief that travelling can make a better world for everyone, especially for those with disadvantages like disabled people and deaf people.

Besides organizing accessible tours for disabled travelers from different countries, we also arrange signing tours for deaf & mute travelers worldwide.

We often come along in this kind of trips to help our deaf guests to enjoy their time. Our guide knows the signs and deaf travelers can read his lips in English so we can communicate quite well

They are deaf and mute but they like to communicate more than the hearing. We keep talking a lot about everything.

Our guides focus a lot when talking with them. We have to try to hear and understand their sounds, read their lips, and see their signs and gestures. We do our best so that their experience is an exceptional one.

In this tour package trip throughout Egypt, we had a great time to share our stories, learn about Egyptian cultures and history, explore the cities and beautiful spots and enjoy good food and company. We did everything like in a normal tour for hearing people.

With your Egypt Tours, everyone in the world, whatever the disability is, will have a great experience of Egypt.

Experience fantastic Egypt travel packages with Your Egypt Tours to the exotic pyramids of Cheops, Chefren, and Mykerinus. Moreover, get on board five stars deluxe Cruise sailing on the Nile for 4 nights from Luxor to Aswan where you can see many archaeological sites in Luxor such as Karnak Temples, Valley of the Kings, and Hatshepsut Temple. Kadesh, and to intimidate his Nubian neighbors. However, the complex was relocated in its entirety in 1968, on an artificial hill made from a domed structure, high above the Aswan High Dam reservoir.

The relocation of the temples was necessary to avoid their submerged during the creation of Lake Nasser, the massive artificial water reservoir formed after the building of the Aswan High Dam on the Nile River.
