Day 5

Flight to Luxor & Nile Cruise Embarkation

Today your **Egypt Luxury Grand Tour** really starts feeling magical. After a smooth private flight from Cairo to Luxor (short and easy), you step straight onto the beautiful Historia Nile Cruise, your home for the next few days. The cabins are lovely, the views are all Nile, and you can already feel the pace slowing down in the best way.

In the afternoon you head out with your private guide to see Karnak Temple and Luxor Temple. Karnak is huge and impressive — it's hard to believe people built something this massive thousands of years ago. Then Luxor Temple, especially nice in the softer afternoon light, feels almost peaceful.

As the day winds down you do something really special: a quiet sunset felucca ride on the Nile. Just a traditional sailboat, a gentle breeze, the water turning golden, and the temples glowing in the background. It's one of those simple moments that people remember for years.

Overnight: The Historia Nile Cruise

Day 6

Valley of the Kings & Luxor West Bank Attractions

Today is one of those days that feels truly special on your **15 Day Egypt Luxury private Tour**. You start early with a private tour on the West Bank of Luxor — the legendary Valley of the Kings.

Your private Egyptologist guide takes you inside some of the most beautiful royal tombs, where the colors are still vivid after thousands of years. You'll also have the rare chance to visit King Tutankhamun's tomb — the one that still gives everyone a little shiver when you step inside.

Then you move on to the striking Temple of Hatshepsut, carved dramatically into the cliff face. It feels almost modern in its clean lines, yet it's over 3,500 years old — really impressive up close.

You finish the morning with the huge Colossi of Memnon standing guard over the fields, two giant seated statues that have watched the sunrise for millennia.

Back on board the Historia Nile Cruise in the afternoon, you have time to relax, maybe sit on the sun deck with a cold drink, watching the Nile go by.

In the evening, a beautiful gourmet dinner is served onboard.

Overnight: The Historia Nile Cruise

Day 7

Edfu & Kom Ombo Temples

Today your **Egypt luxury travel package** sails to two of the Nile's most striking temples, all with your private guide making it feel personal and uncrowded.

First up is the massive Temple of Horus in Edfu—one of the best-preserved temples in Egypt, dedicated to the falcon-headed god. You will walk through its towering pylons, huge hypostyle hall, and detailed carvings that tell epic stories of gods and pharaohs. It's like stepping into a perfectly frozen moment from ancient times.

Next, stop at Kom Ombo Temple, the unique "double temple" built for two gods (Sobek the crocodile god and Horus the falcon). Check out the fascinating medical instruments carved on the walls (ancient Egypt's version of a doctor's office) and the dramatic Nile views right outside.

Back on the Historia Nile Cruise by afternoon, it's all about relaxing, enjoying leisure time onboard with optional spa treatments (think massages with Nile breezes), lounging by the pool, or just soaking in those golden sunset deck views as the river drifts by.

A relaxed day of incredible history mixed with downtime on your **luxury Vacation in Egypt**.

Overnight: The Historia Nile Cruise

Day 8

Aswan – Philae Temple & Abu Simbel

In the morning you visit Philae Temple, the lovely island temple of Isis. Surrounded by water and soft light, it feels peaceful and almost

magical; one of those places that really stays with you during your **luxury private tour**.

After that, a quick stop at the Aswan High Dam gives you impressive views over Lake Nasser and the Nile below, a strong contrast to the ancient sites.

The highlight comes next: a private charter flight to Abu Simbel. No long road trip, just a short comfortable flight. There you'll have an exclusive guided tour of Ramses II's massive rock-cut temples, the four giant statues outside, the inner halls, and the incredible story of how the whole complex was moved to save it from the rising lake. Having the place mostly to yourself makes it even more powerful.

After the visit you fly back to Aswan and return to the cruise ship for a relaxed evening. This day is a perfect example of what makes this **Egypt luxury tour package** so special.

Overnight: The Historia Nile Cruise

Day 9

Nubian village & Flight to Sharm El Sheikh

The morning feels gentle and colorful. You take a private visit to a traditional Nubian village near Aswan as part of your **luxury tour in Egypt**.

You will walk through the bright, hand-painted houses, meet local families, learn about Nubian culture and daily life, see how they keep their unique traditions alive and maybe enjoy a cup of tea or a simple homemade snack together. It's warm, authentic, and completely

different from the big temples, one of those experiences that leaves you smiling long after.

Later you transfer to Aswan Airport for your flight to Sharm El Sheikh. The flight is short and comfortable, and before long you're landing on the Sinai coast.
Upon arrival, a private transfer takes you straight to the Four Seasons Resort Sharm El Sheikh, pure luxury right on one of the most beautiful stretches of the Red Sea.

After check-in you have the rest of the day to settle in, step onto your private balcony, feel the sea breeze, and start enjoying the resort's pools, beach, and relaxed atmosphere.

This is the moment the trip shifts from ancient history to pure seaside indulgence, the perfect balance your **Egypt luxury Grand tour package** was designed for.

Overnight: Four Seasons Resort Sharm El Sheikh

Day 10

Red Sea Relaxation & Snorkeling

Today is all about enjoying the best of Sharm El Sheikh the way it should be slow, beautiful, and completely at your own pace.

The whole day is yours at the Four Seasons Resort Sharm El Sheikh. Sleep in if you like, have a long breakfast with sea views, swim in one of the stunning pools, or just lie on the private beach listening to the waves. It's the kind of leisure day that lets you really recharge after the rich history of the previous days.

In the morning or early afternoon, you head out for a private snorkeling and diving excursion to Ras Mohammed National Park, one of the most famous and beautiful underwater spots in the world. With your own guide and small group (or just your party), you'll explore vibrant coral reefs, colorful fish, and maybe even see turtles or reef sharks if you're lucky. Everything is arranged at your comfort level, whether you want gentle snorkeling or a proper dive.

Back at the resort later in the day you have time to relax again before the evening. As the sun starts to set, you will enjoy a special luxury beachfront dinner at Farsha Cafe. This iconic spot is known for its bohemian-chic style, candlelit tables right by the sea, soft music and delicious food with that perfect view of the Red Sea. It's romantic, relaxed, and feels like a celebration of this beautiful part of your **Egypt luxury vacation package**.

Overnight: Four Seasons Resort Sharm El Sheikh

Day 11

Desert Safari & Bedouin Experience

Late afternoon the real luxury adventure begins. You climb into a **private 4×4 desert safari** and leave the coast behind. The road quickly disappears and you're bouncing through the raw, golden desert of the Sinai Mountains. The driver usually a Bedouin who knows every stone and shadow here, takes you deeper into canyons where the light turns the rocks orange, then deep red, then purple as the sun drops.

When the light is almost gone, you reach a quiet Bedouin camp prepared only for you. Rugs are spread around a fire, lanterns hang low, and the smell of burning wood mixes with cardamom and grilling

meat.

Dinner is simple but unforgettable: traditional Bedouin food cooked right there over the flames, tender grilled lamb or chicken, fresh flatbread baked on hot stones, lentil soup, grilled peppers and eggplant, dates, and tea.

You eat under thousands of stars, listening to quiet stories or soft music from an oud. Sometimes someone sings an old desert song. The fire crackles, the night gets cool, and everything feels far away from the rest of the world.

A perfect adventure that makes this **Egypt luxury tour package** so much more than just sightseeing.

Later, the 4×4 brings you comfortably back to the hotel.

Day 12

Yacht cruise and island hopping

Early in the morning you board a **private luxury yacht**, just your group, the captain, and a small attentive crew. No big boats, no crowds, only open water and that special quiet.

The destination is Tiran Island and White Island (Ras Nasrani area). Tiran is famous for its crystal-clear waters and some of the most vibrant coral reefs in the entire Sinai. You'll anchor in the best spots. Snorkel or dive whenever you want, the underwater world here is alive with schools of colorful fish.

White Island is the perfect contrast: a tiny, blinding-white sandbank rising out of the turquoise sea. You can walk around it in minutes, take

photos with nothing but water in every direction, or just lie on the sand listening to the waves.

Lunch is served onboard, a fresh gourmet seafood lunch prepared right there on the yacht.

The rest of the day is slow and easy: more swimming, sunbathing on the deck, or just sitting with a book while the yacht gently rocks.

By late afternoon you return to the marina and transfer back to the resort feeling completely recharged and salty in this **luxury grand tour**.

Overnight: Four Seasons Resort Sharm El Sheikh

Day 13

Return to Cairo & Free Exploration

After breakfast at the Four Seasons, you have a private transfer to Sharm El Sheikh Airport for your flight back to Cairo.

Once you land, you're back in the familiar rhythm of the capital, but with no rush or schedule. The rest of the day is completely yours: free time to wander, shop, or revisit anything that caught your heart earlier in the **Egypt luxury grand tour**.

Maybe you'll return to Khan El Khalili for last-minute treasures, a piece of jewelry, a hand-painted lamp, or some fragrant spices. Or perhaps you prefer a quiet coffee in Zamalek, a stroll along the Nile Corniche, or just relaxing at the hotel with all the memories still fresh.

In the evening comes the perfect closing moment for a **luxury grand**

tour: a farewell dinner at Sequoia Restaurant overlooking the Nile.

Overnight: The St. Regis Cairo (or your preferred Cairo hotel)

Day 14

Leisure & Cultural Immersion

The last full day of your **15-day Egypt luxury grand tour** moves slowly and sweetly, like Cairo wants to give you one more gentle memory before you leave.
Morning starts with two quieter, very special places most visitors skip:

You begin at the Museum of Islamic Art, a real treasure house. Inside are centuries of incredible craftsmanship. Then you move on to Abdeen Palace, the grand residence of Egypt's last kings. Walking through the throne hall, the reception rooms with their huge chandeliers, the private museum collections and the quiet gardens feels like opening a history book that still smells of the past.

In the afternoon comes one of those classic Cairo moments everyone dreams about: afternoon tea at the legendary Mena House Hotel (Marriott Mena House).

It's the perfect, unhurried way to close the sightseeing part of your **luxury Egypt tour package.**
