Day 1

Itinerary

You will be picked up from your hotel to embark on an enchanting adventure on Al Ain City Tour From Dubai. Once a desert oasis it is now littered with archeological ruins and digs dating as far back as 5,000 years. Your first stop is the Al Ain Palace Museum, which was once the residence of the late ruler Sheikh Zayed Bin Sultan Al Nahyan and is now home to interesting displays that offer an insight into their family and lifestyle.

No journey to the Middle East would be complete without the chance to see camels up close and personal, and our Dubai Excursions allow you to do just that. Complete your excursion with a journey to Jahili

Fort to view an extensive photography collection of famous explorer Wilfred Thesiger and the hot springs before heading back to Dubai.
