Itinerary

Your Egyptologist guide will pick you up from your hotel at Hurghada during all the [Egypt tours](#). You will then drive to Luxor where you will visit the world-famous Karnak temple the largest place of worship ever built. Its ancient name I pet-it means “the most sacred of places.” The temple, or, more correctly, the complex of temples, was built over more than 2,000 years by generation after generation of pharaohs. Within the complex, the great “Hypostyle Hall” is located, which is an

incredible forest of giant pillars. Then you will enjoy a relaxing lunch at a local restaurant. You will then drive to the West Bank of the Nile River to visit the two colossal statues of Amenhotep III (Colossi of Memnon). Thereafter, you will visit the [Valley of the Kings](#) where the magnificent tombs were discovered. Those tombs were carved deep into the desert rock, and are richly decorated and filled with treasures for the afterlife of the pharaohs. Here you will visit three tombs. You will then tour the [Hatshepsut Temple](#) at El Deir El Bahary. This impressive temple was dedicated to Queen Hatshepsut who was the only female pharaoh. The temple rises out of the desert plain in a series of terraces and merges with the sheer limestone cliffs that surround it. Finally, you will be driven back to your hotel in Hurghada.
