It occupies an area that included many attractive diving destinations with different coral reefs. Can we start our program for this unique Egypt trip?

tour.itinerary

Day 1

Itinerary

Declared the first Egyptian National Park as the best diving in Sharm El Sheikh in 1983, Ras Mohamed is located at the southern tip of the Sinai peninsula. It occupies an area that has grown to 480 square kilometers. The park is notable for its sharply defined raised fossil coral platforms which represent ancient shorelines. You will have the whole morning exploring the contrasting areas of the park, including beaches, cliffs, and deserts. Diving is the most distinctive tour among

Egypt day tours because it has the ability to take your mind in another world.
