Day 1

Itinerary

The famous Karnak Temple, one of the most significant places of devotion ever constructed, will be visited with you in the morning after our representative meets you at the cruise ship exit door. You will have your Egyptologist guide, whose expertise will ensure an immensely illuminating experience!

Its translation from the ancient name "I pet-it" is "The most sacred of places." The temple, or more accurately, the complex of temples, was constructed in Egypt about 2,000 years ago through various pharaohs. Inside the structure, the magnificent "Hypostyle Hall" is a spectacular assembly of enormous pillars.
Your tour guide will take you to the magnificent Luxor temple, built by Amenhotep III and Ramses II, for rituals and celebrations honoring the god Amon, followed by a leisurely lunch and a visit to the restaurant at the Mercure Hotel. Later on, you will embark on a unique adventure, enjoying a captivating voyage with sunset scenery aboard a Felucca, a "typical Egyptian sailing boat," as you take a soothing sail on the River Nile. Your memories of this experience will undoubtedly be unforgettable. You'll then be driven to your hotel to check in and spend some time there at your leisure. You can choose to see the unique light and sound show at the Karnack Temple in Luxor, and then you'll be taken to your hotel for a restful evening.
