Your Egypt Tours tour guide will pick you up from your cruise in Sharm harbor by Air-conditioned vehicle then drive to The monastery for two hours and a half driving, the monastery was built by order of Emperor Justinian I between 527 and 565, enclosing the Chapel of the Burning Bush ordered to be built by Helena, the mother of Constantine I, at the site where Moses is supposed to have seen the burning bush; the living bush on the grounds is purportedly the original. It is also referred to as "St. Helen's Chapel." The site is sacred to Judaism, Christianity,

and Islam. Commonly known as Saint Catherine's, the full, official name of the monastery is, The Sacred and Imperial Monastery of the God-Trodden Mount of Sinai, and the patronal feast of the monastery is the Transfiguration.
