### **Pyramids of Giza**

Home to one of the world's first great civilizations, Egypt is brimming with ancient wonders, and today we will discover some of its most impressive. Our first stop will be at the Giza Plateau where sits the legendary pyramids and iconic sphinx figure. Marvel at the incredible architectural feats that even to this day puzzled archaeologists, and why not opt for a camel ride to make the experience truly unforgettable. Leaving the pyramids behind us, we will travel on to the necropolis of Saqqara, brimming with sand-strewn temples, ancient tombs, and the site of Zoser's step pyramid. Later this evening we will make our way to the train station for our overnight journey to Luxor by sleeper train.

Upon arrival in Luxor, we will transfer to the hotel for check-in. Considered to be one of the most important archaeological sites in the world, ancient Thebes – known today as Luxor, will be our base for the next two days. Today there is free time to kick back and relax and later in the evening, there will be an optional excursion to the Temple of Luxor. Already impressive during daylight, the temple takes on a magically glow after dark as it becomes illuminated by a thousand colored lights. Spend the rest of the evening at your own leisure. Touring will continue in the Valley of the Kings and on to the Valley of the Queens, the site of the imposing colonnaded temple of Queen Hatshepsut. Crossing back over to East Bank, we will return to our hotel for some free time before heading to Karnak.
