Once you arrive in Cairo, your Egyptologist guide will provide a fascinating introduction to each of the three pyramids: Cheops, Khafre, and Menakaure. The tour also includes a visit to the Valley Temple, which belongs to the Pyramids of Chephren. You will also have free time to enter the burial

chamber of one of the pyramids (optional, for an additional cost); however, your guide is not permitted to enter with you; or you can go on a camel ride in the pyramids area (optional, for an additional cost). After visiting the pyramids, you will continue across the plateau for a photo opportunity of the three pyramids rising from the sands, with the Cairo skyline in the background. A short drive to the city side of the plateau finds you standing at the feet of the Sphinx, for thousands of years the enigmatic symbol of Egypt! Also in Giza, you may visit the Solar Boat Museum (optional, for an additional cost), home to the remarkably well-preserved funerary boat of Khufu.
