Itinerary

Enjoy Aqaba to Dead Sea Tour. Your driver will collect you from your hotel in Aqaba to start your Dead Sea Day Tour. After that, you will begin the one-hour drive to the Dead Sea. Being the lowest point on earth and filled with a variety of minerals with medicinal properties the site has developed into a health spa-like hotspot. The mineral concentration in the mud is used for therapeutic and beauty treatments. Queen Cleopatra and Sheba both were said to have known the value of the site and used it. Due to high salinity, the water

supports no form of life hence the name the Dead Sea, and floating is very easy. Be sure to prepare to swim and relax in the mud before heading back to Aqaba.
