Day 1

Itinerary

Discover Dubai's transformation from contemporary architecture into a modern and luxurious city. Visit the Heritage area of Bastakiya and 225-year-old Fort Al Fahidi. Your experienced local guide will pick you up in the morning from Port Zayed in Abu Dhabi and drive you to Dubai. Your first stop is where Dubai started; the Dubai Creek. Hop in the Abra-Dubai water Taxi which is the city's oldest mode of

transportation. Afterward, your guide will lead you over to the shopping center you've been waiting to see; the Gold & Spice Souks where you can buy anything and everything.

After your shopping spree, you continue to the most beautiful and tourist-loved mosque in Dubai; the Jumeirah Mosque. But have your camera charged and ready as you take a photo stop by the beach side of the impressive Burj Al Arab hotel on the water. While you're out by the water, you'll see the Palm Island; and yes, it's exactly how it sounds. It's an island that looks like a real palm tree.

Stare in awe of the city view on the island as you make your way to Atlantis the Palm, a rather large, open marine habitat. Take in the gigantic skyscrapers as you zip down Sheik Zayed Road. Your next destination is another fantasy sightseeing and the last attraction of the Dubai city tour. Visit Souk Madinat Jumeirah and the well-known Dubai Mall. After that, have a journey to 'At the Top observation deck on level 124 of the tallest building in the world which is Burj Khalifa.
