Itinerary

Experience ancient Egypt like never before at The Pharaonic Village in Cairo with Your Egypt Tours. A great family-friendly Egypt vacation, the Pharaonic Village is a living museum of ancient Egyptian life. Sail along canals as you pass by recreated scenes of life in ancient Egypt, all painstakingly produced with the utmost detail and authenticity.

The 30 minutes guided cruise will introduce you to the history and lifestyle of Egypt in the time of the pharaohs. Pass by scenes of

everyday life, along with recreations of famous events such as the discovery of baby Moses floating on the Nile. A popular attraction at The Pharaonic Village is the replica of King Tutankhamun's tomb as it was when discovered by Howard Carter in 1922. With the original tomb in the Valley of Kings long emptied of its treasures, this is a great chance to see the amazing sight of Egypt's only untouched pharaoh's tomb.

You can also learn about the ancient technique of mummification at a demonstration of the process. There is also an Islamic and Christian Museum dedicated to the two main religions of Egypt, as well as a newly opened exhibit detailing the history of Alexandria. Book now your Egypt day trips.
