Day 1

Itinerary

Step back in time to the days of ancient Egypt on a tour of the Great Pyramids of Giza and Sphinx, the necropolis of Sakkara, and the former capital, Memphis. With your Egyptologist guide to lead the way on this tour, you can determine the amount of time you'd like to spend at each of the sites you'll visit. The Giza Plateau is only around 30 minutes from Cairo, where your qualified Egyptologist guide will provide a fascinating introduction to each of the three pyramids: Cheops, Khafre, and Menakaure.

You will have free time to enter one of the pyramids (optional), though your guide is not permitted to enter with you or take a camel ride (optional). After visiting the pyramids, you'll continue across the plateau for a photo opportunity of the three pyramids rising from the sands, with the [Cairo tour](#) skyline in the background. A short drive to the city side of the plateau finds you standing at the feet of the Sphinx, for thousands of years the enigmatic symbol of Egypt.

Your next stop is Sakkara, home of Egypt's oldest pyramid, built-in 2800 B.C. Your guide will provide a brief history of the famous Step Pyramid and you'll have free time to walk around. Your final stop is Memphis, the ancient capital of Egypt. Here you will see artifacts from many of the great rulers of Egypt, including the fallen statue of Ramses II and the second-largest [sphinx in Egypt](#). You will also have the chance to visit a Papyrus Institute to see how the famous artwork is made.
