Day 1

Itinerary

Private tour to Alexandria from Port in the company of your Egyptologist guide. The second-largest city in Egypt, Alexandria has an atmosphere that is more Mediterranean than Middle Eastern and is famous for its Roman remains. With your private Egyptologist guide to lead the way, you'll enjoy personalized attention on your private tour of Alexandria. As this is a private tour, you can determine the amount of time you'd like to spend at each of the sites you'll visit. Alexandria was

founded by Alexander the Great in 332 B.C. and was the capital of Greco-Roman Egypt. Your first stop in this historic city is the Catacombs of Kom El Shoqafa, a Roman burial site whose family tomb reveals the merging of Egyptian and Roman art and architecture. Descend below ground to visit the tomb and Caracals Hall. Back above ground. Continuing the Roman theme, the next site your guide will show you is the Roman amphitheater, possibly the best-preserved Roman site in Egypt. The site also includes the remains of a Roman street and homes. After lunch (additional cost) you will have an outside view of the fort of Qaitbay built-in 1477 on the same spot as the great lighthouse of Alexandria. Then, visit the famous Alexandria Library. In contrast to the ancient architecture found throughout Egypt, the Norwegian-designed building is a striking piece of modern design. A copy of every book published in the world is kept in the library, making it one of the great literary sites in the world. The library also houses several exhibitions relating to the history of Egypt and a display of rare antique books (additional cost). Finally, you will be transferred back to your cruise in Alexandria Port.

Note: The library of Alexandria is closed on Fridays and Saturdays
