Giza Pyramids and Sphinx Tour From Safaga Itinerary

Our journey to ancient Egypt will take us back in time, and there we will find the magnificent Giza Pyramids and Sphinx will teach us about the amazing history of the region. Khufu's Pyramid is commonly referred to as the Great Pyramid of Giza. It is the greatest and most impressive of the plateau's three pyramids, having been constructed around 4500 years ago.An old masterwork can be found inside Menkaure's Pyramid.

Then, as we approach the Sphinx, you will come across a statue with a Pharaoh's head and a lion's body. Everyone will be awestruck by the statue's grandeur and shape. Though the whereabouts of his other components, especially the nose, are unclear, it is thought to have been built during Pharaoh Khafre's reign.

As we go on,around the area we will see smaller pyramids and tombs in the size, which will teach you about the ancient Egyptians' burial practices. And tourists can learn about the rituals and beliefs of the ancient society in The Valley Temple.

Beyond simply traveling back in time, this trip offers more. This is an expression of respect to the brilliance and improvement that made ancient Egypt. So with these masterpieces that have saw the rise and fall of many civilizations throughout history, and they continue to awe tourists. With Egypt, you can be confident that whether you are a history or architecture fan, or simply in love with the past, these incredible spots will leave an unforgettable impact on you
