tour.itinerary

Day 1

KARNAK & LUXOR TEMPLES

Your tour begins with our agent, who will meet you at the cruise ship exit door in the morning and guide you to the world-famous Karnak Temple, one of the most noteworthy places of worship ever built. Your personal Egyptologist guide will be with you, and their knowledge will

guarantee an incredibly enlightening encounter!
"The most sacred of places" is what the ancient name "I pet-it" is known for. The temple, or perhaps more precisely, the complex of temples, was built by several pharaohs in Egypt more than 2,000 years ago. The majestic "Hypostyle Hall" is a captivating forest of massive pillars inside the building.
Your tour guide will take you to the majestic Luxor temple, built by Amenhotep III and Ramses II, for rituals and feasts honoring the deity Amon, followed by a relaxing lunch and a visit to the restaurant at the Mercure Hotel. Later, you will start on an exceptional journey, taking in a peaceful sail along the River Nile in a Felucca, a "typical Egyptian sailing boat," while taking in the picturesque sunset backdrop. Your memories of this encounter will undoubtedly be unforgettable. You'll then be transported to your hotel to check in and spend some time there at your leisure. After an optional excursion to witness the spectacular light and music show at Luxor's Karnack Temple, we will return to your hotel and unwind.

Day 2

COLOSSI OF MEMNON, VALLEY OF THE KINGS & HATSHEPSUT TEMPLE

After enjoying breakfast at your Luxor hotel, your personal Egyptologist guide will take you to see the two enormous statues of Amenhotep III (the Colossi of Memnon) on the West Bank of the Nile River. Next, you will visit the Valley of the Kings, where the magnificent tombs, designed deep into the desert rock, were found. The tombs were lavishly decorated and contained all the treasures the pharaohs believed they ought to have for their afterlife.
After that, you'll see three tombs and a visit to the magnificent Hatshepsut Temple in El Deir El Bahary. It was built in tribute to Queen Hatshepsut, the only female pharaoh of ancient Egypt.
The temple is surrounded by steep limestone cliffs that rise out of the

desert plain in a succession of terraces.
Lunch is included in this exceptional experience. Ultimately, your guide will accompany you back to the cruise ship in Safaga Port; the time of your ship's departure from Luxor will determine the time of your departure from Safaga Port (220km).
