**Itinerary**

Join [Your Egypt Tours](#) on an adventure across Aswan as you visit some of its most historic sites. Our representative will meet you at your hotel in Aswan to transfer to Luxor.

Upon your arrival at Luxor, your knowledgeable Egyptologist guide will be waiting for you in order to begin your memorable tour.

The tour begins with Karnak Temple, a complex on the East Bank of Luxor. Dedicated to Amun Ra, the chief god in Egyptian mythology, this site contains many obelisks and shrines dedicated to the deity. Explore the Great Hypostyle court and masterfully carved reliefs and murals that have been expanded throughout several generations. Marvel at the obelisks that are astonishingly cut from a single piece of granite and stand over 70 feet tall.

Following this, you will cross the Nile to the West Bank of Aswan, continuing to the Valley of the Kings. These elusive tombs were carved deep into the mountain rock and contained several royal mummies and their priceless treasures. The interior walls of the tomb are decorated with colorful murals. Your Egyptologist guide will provide a fascinating introduction to these tombs before continuing to the next stop on your exciting day tour.

Proceed towards the West Bank of Aswan and drive to the Temple of Queen Hatshepsut. Unlike other temples, it was constructed from limestone and partly hewn in the bedrock. The palace has three terraces, and its focal point tells the story of the divine birth of the Queen.

Partake in a delicious lunch at a local restaurant in Luxor before returning to Aswan.
