Day 1

Itinerary

With **Your Egypt Tours**, immerse yourself in the rich history of Egypt with a private, unforgettable visit to the iconic **Grand Egyptian Museum (GEM)**. Begin your journey surrounded by over 50,000 Egyptian artifacts, including the world's most extensive collection of

Pharaonic treasures. Among the highlights is the priceless collection of **King Tutankhamun**, featuring his legendary gilded coffins and breathtaking golden mask. Your expert guide will lead you through the museum's masterpieces and then allow you time to explore at your own pace.

Next, visit the **Alabaster Mosque** at the Citadel of Salah el-Din, one of Cairo's most important Islamic landmarks. Perched atop a limestone hill with sweeping views of the city, this architectural masterpiece is still an active place of worship. The mosque's lower levels are adorned with smooth alabaster, while the upper sections feature limestone cladding sourced from the Pyramids of Giza. Inside, your guide will introduce the principles of Islam and provide translations of common prayers, offering insight into the faith and traditions.

Conclude your tour with a visit to the lively **Khan el-Khalili Bazaar**, a historic marketplace said to have inspired Christopher Columbus. Wander through the maze of streets at your leisure, shop for souvenirs, and practice bargaining with local vendors. You will also have the opportunity to visit a **Papyrus Institute**, where you can observe the traditional creation of this famous artwork and purchase authentic pieces if you wish.
