Day 1

Itinerary

Your adventure begins with a comfortable transfer from your hotel in Luxor to the train station, where you'll board a **first-class train** heading south to the beautiful city of **Aswan**. Sit back and enjoy the scenic ride along the Nile as the landscape slowly shifts toward Aswan's unique charm.

Upon arrival, your expert **Egyptologist guide** will be waiting to take you on a journey through some of the most iconic sites in the city:

### **First Stop: Aswan High Dam**

Built between the 1960s and 70s, the High Dam is a modern engineering marvel that dramatically reshaped Egypt's economy and protected the Nile Valley from flooding. It's an incredible symbol of progress in the heart of ancient lands.

### **Next: The Unfinished Obelisk**

Step into the world of ancient craftsmanship at the site of the **Unfinished Obelisk**—the largest known obelisk ever attempted. Commissioned by **Queen Hatshepsut**, it remains partially carved into the bedrock after cracks halted its construction. It's a fascinating glimpse into how these towering monuments were created.

### **Lunch Break:**

Recharge with a delicious lunch at a local Aswan restaurant, where you'll get to sample authentic Egyptian cuisine in a relaxed setting.

### **Final Visit: Philae Temple**

Your last stop is the enchanting [Philae Temple](#), a sacred site dedicated to the goddess Isis. Set on an island and surrounded by the Nile's waters, this ancient sanctuary is steeped in myth and legend, telling the eternal story of Isis, Osiris, and Horus. Built during the reign of **King Nectanebo I**, it's one of the last great temples of ancient Egypt.

After a full day of exploring Aswan's highlights, you'll board your train back to Luxor, where we'll transfer you directly to your hotel.
