From here, you'll travel in comfort in a private air-conditioned vehicle, ready to explore some of the most iconic landmarks of ancient Egypt.

Giza Pyramids Complex

Step into a world where time stands still. The Giza Plateau, built around 2600 BC, is a testament to the vision and ingenuity of the ancient Egyptians. These colossal structures were crafted to ensure the immortality of pharaohs—and they've certainly stood the test of time.

> **The Great Pyramid of Khufu**
> Towering at 146.6 meters (481 ft), this ancient marvel is the only surviving wonder of the ancient world. Designed by the brilliant architect Hemiunu, it served as the eternal resting place of King

Khufu and is considered one of the greatest feats of human engineering.

The Great Sphinx
Carved during the reign of King Khafre, this enigmatic guardian has the body of a lion and the face of the pharaoh himself. Measuring 73 meters long and 20 meters high, the Sphinx has watched over the plateau for millennia—and between its paws rests the Dream Stele of Thutmose IV.
