Giza Pyramids Exploration Tour

"**Your Egypt Tours**" representative will pick you up from Port Said by the cruise exit door to be transferred by a private air-conditioned vehicle to Cairo where you will start your private guided tour to the pyramids from Port Said. Start your tour by visiting:

Giza Pyramids Complex

The fictitious Giza Pyramids complex is a place of everlasting beauty and glory filled with the greatest wonders ever created in the history of ancient Egypt, which are:

The Great Pyramid of Pharaoh Khufu is an immortal door to the heavens above that was built around 2570 BC and remained the tallest building on earth for more than 3800 years standing at the height of 147 m plus weighing about 6 million tons. The Interior of the great pyramid of Giza is filled with majestic rooms such as the king’s chamber, Queen’s chambers, the big void, the grand hall, plus more.

The Great Sphinx The mythical Great Sphinx is a cosmic colossal artifact made in the heavens to stand guard at the great pyramids of Giza which was carved from a single rock of limestone under the rule of Pharaoh Khafre (2558 BC – 2532 BC) to possess his face and the body of a lion plus under his beard is the epic dream, Steele.
