Discover the **Valley of the Kings** and step inside the tomb of **Tutankhamun**. You also visit the **Valley of the Queens** (Biban el-Harim). Later, explore the Temple of **Hatshepsut**.

### **Day 6**

## Aswan | Majestic Philae Aswan

Cruise to **Aswan** and ride a motorized boat to **Philae Temple** on the island of **Agilika**. This sacred complex was dedicated to the Goddess Isis and reflects a fusion of three great civilizations — **Egyptian**, **Greek**, and **Roman**. The temple was dismantled and then painstakingly reassembled when the **Aswan High Dam** was constructed. Built-in the 1960s, the dam spans the **Nile River**, more than two miles across, and incorporates 16 times the amount of material that went into **the Great Pyramid** at **Giza**. It provides irrigation and hydroelectric power to much of **Egypt**, and the reservoir that formed behind it, **Lake Nasser**, is 340 miles long. Proceed to the impressive granite quarries and site of **the Unfinished Obelisk**. Illustrating the skills of **Egypt's** stonemasons, this monolith is one-third taller than any other ancient Egyptian **obelisk**. Later, Ride like a Local around the **Aswan islands** in a **felucca**, weather permitting.

**Meals:** Breakfast, Lunch, Dinner

### Day 7

## Abu Simbel | Temples Of Ramses & Nefertari

Today, bid farewell to your **Nile cruise**, disembarking to fly to **Abu Simbel**. There, discover the commanding twin temples of **Ramses II** and his wife, **Queen Nefertari**. Four statues of the **pharaoh**, each, dominate the former's facade nearly 70 feet tall. Perhaps even more impressive, this entire site was disassembled and moved here to save it from the floodwaters caused by the **Aswan High Dam**. Return to **Cairo** for an afternoon at leisure.

**Meals:** Breakfast, Lunch

### Day 8

## Cairo | Legendary Pharaohs & Bustling Souk

Visit The **NMEC** is Egypt's and the Arab world's first museum to present the full breadth of Egyptian civilization—from prehistory to today—highlighting its continuity through tangible and intangible heritage. Its exceptional collection includes the royal mummies, displayed with cutting-edge interactive technology that reveals the secrets beneath the wrappings and explores ancient mummification rituals and beliefs.

After lunch at a local restaurant, explore the **Mosque** and **Madrasa** of **Sultan Hassan**, built in AD 1356 and among the finest examples of early **Mamluk** architecture. Next, walk from the twin-towered **Bab el-Foutouh**, a fortified gate in **Cairo's** Old City walls, to **Khan el-Khalili Bazaar**, one of the city's major souks (open-air marketplaces). Browse the tightly packed stalls displaying everything from spices and leather goods to jewelry and vegetables, all on a street that has hardly changed for centuries. Bargaining is expected, so prepare to negotiate. Then, return to your hotel for an evening of leisure.

**Meals:** Breakfast, Lunch

## Day 9

### Cairo | Ancient Treasures

Drive to **Memphis**, the capital of the ancient kingdom and now home to an open-air museum and a giant statue of **Ramses II**. Continue to **Sakkara**, the site of hundreds of tombs and 14 **pyramids**, including the Step **Pyramid** of **Djoser**. This evening, gather with your fellow guests to reflect on your journey through **Egypt** and along the **Nile** at a farewell dinner hosted by **Your Egypt Tours**.
