#### Cairo (Giza Pyramids, Sphinx, Sakkara & Memphis)

Begin your day in Cairo as part of your unforgettable **Cairo and Nile cruise tour**. After breakfast at your hotel, you will tour the Giza Plateau, about 30 minutes from Cairo. Once in Giza, your Egyptologist guide will provide a fascinating introduction to each of the pyramids: Cheops, Khafre, and Menkaure, the only survivor of the Seven Wonders of the Ancient World.

After visiting the pyramids, you will continue across the plateau for a photo opportunity of the three pyramids rising from the sands with the Cairo skyline in the background.

A short drive to the city side of the plateau finds you standing at the feet of the Sphinx, for thousands of years the enigmatic symbol of Egypt. The [Great Sphinx](#), measuring 190 feet long and 65 feet high, still stands as a guardian over these magnificent royal tombs. This monumental landmark was carved out of a single piece of rock in the shape of a lion with a pharaoh's head.

After your tour of the [Giza Pyramids](#), you will drive to [Sakkara](#), built in 2650 B.C. and home to Egypt's oldest pyramid. Your guide will provide a brief history of the famous Step Pyramid, and you will have free time to walk around.

Your final stop is [Memphis](#), the ancient capital of Egypt. Here you will see artifacts from many of the great rulers of Egypt, including the fallen statue of Ramses II.

After touring Memphis, you will have a chance to visit a Papyrus Institute to see how this famous artwork is made and purchase genuine items if you wish. After the conclusion of your tour, you will drive back to your hotel for drop-off, continuing your memorable **Egypt Nile cruise tour** experience.

### Day 4

#### Abu Simbel (Optional trip)

(Optional trip) Begin your early morning as part of your unforgettable **8-day Nile cruise Luxor and Aswan**. Today at 4 AM, you will go by bus to the impressive Temples of Ramses II in [Abu Simbel](#). The complex is part of the UNESCO World Heritage Site known as the Nubian Monuments, which runs from Abu Simbel downriver to Philae near Aswan. The twin temples were originally carved out of the

mountainside during the reign of Pharaoh Ramesses II in the 13th century BC as a lasting monument to himself and his queen Nefertari, commemorating his alleged victory at the Battle of Kadesh and intimidating his Nubian neighbors. However, the complex was relocated in 1968 to an artificial hill above the Aswan High Dam reservoir.

The relocation of the temples was necessary to avoid submersion during the creation of Lake Nasser, the massive artificial reservoir formed after building the Aswan High Dam. Abu Simbel remains one of Egypt's top tourist attractions. With your qualified Egyptologist as your guide, you will enjoy a personalized visit to the temples and learn how they were discovered in 1813. Due to the large number of visitors, guides are not permitted inside the temples. After the visit, return to Aswan to board your **5-star deluxe Nile cruise**.

Later, sail to Kom Ombo. You will be escorted by your Egyptologist guide to visit [Kom Ombo Temple](#), dedicated to the crocodile-headed god of fertility and creator of the world. Enjoy lunch aboard your cruise, followed by free time while sailing to Edfu to explore the Temple of Horus. Continue cruising down to Luxor, where afternoon tea is served on the sun deck followed by dinner, continuing your memorable **Egypt Nile cruise tour**.

Its ancient name, Ipet-it, means “the most sacred of places.” The temple, or more correctly the complex of temples, was built over more than 2,000 years by successive generations of pharaohs.

Within the complex, you will find the great Hypostyle Hall, an incredible forest of giant pillars. After this, you will be transferred to Luxor Temple, built by Amenhotep III and Ramses II for rituals and festivals dedicated to the god Amen. You will then be driven to Luxor Airport for your flight back to Cairo where you will be transferred to your hotel, marking the final moments of your enriching **Egypt Nile**
