Day 1

Itinerary

Take a fascinating [private tour to Alexandria](#) from the Alexandria hotel in the company of your Egyptologist guide. The second-largest city in Egypt, Alexandria has an atmosphere that is more Mediterranean than Middle Eastern and is famous for its Roman remains. With your Egyptologist guide to lead the way, you will enjoy personalized

attention on your Alexandria [Egypt excursions](#). As this is a private tour, you can determine the amount of time you will spend at each of the sites you visit.

Alexandria was founded by Alexander the Great in 312 B.C. and was the capital of Greco-Roman Egypt. Your first stop in this historic city will be the Catacombs of Kom el Shoqafa, a Roman burial site of a family tomb that reveals the merging of Egyptian and Roman art and architecture. Descend below ground to visit the tomb and Caracals Hall. Back above ground, continue to Pompey's Pillar, an 82-foot (25-meter) granite column built to honor Emperor Diocletian, who freed the besieged city and brought food to its starving people.

Continuing the Roman theme, the next site you will visit is the Roman amphitheater, possibly the best-preserved Roman site in Egypt. The site also includes the remains of a Roman street and homes. After lunch (for an additional cost), you will visit the famous Alexandria Library. In contrast to the ancient architecture found throughout Egypt, the Norwegian-designed building is a striking piece of modern design. A copy of every book published in the world is kept in the library, making it one of the great literary sites in the world. The library also houses several exhibitions relating to the history of Egypt and a display of rare antique books (for an additional cost). Your final stop will be the Montazah Palace where you will enjoy its green gardens. Following the conclusion of your tour, you will be driven back to your hotel. This tour lasts 7-8 hours.

Note: The library of Alexandria is closed on Fridays and Saturdays
