Day 1

Itinerary

Fast track your journey and take the quick route to see the magnificent temples of Abu Simbel on an air tour from Aswan. With [Your Egypt Tours](#) qualified Egyptologist as your guide, in the shortest time possible. The flight from Aswan to the small town of Abu Simbel takes only around 30 minutes. Your Egyptologist guide will meet you at the airport and accompany you to the famous temples of Ramses II and his favorite wife Nefertari.

On the short walk to the temple entrances, your guide will explain the history of the site, including details of the UNESCO-led relocation of the entire cliff face to higher ground, and how the temples were discovered by accident in 1813. Due to the large number of visitors to Abu Simbel, guides are not permitted inside either the Great Temple of Ramses II or the smaller Temple of Hathor. However, by using photos and illustrations, your guide will explain to you the structures and their interior artworks.
