tour.overview

Get ready for an unforgettable evening at one of Aswan’s most magical sites — the Philae Temple Sound and Light Show. This isn’t just a tour; it’s a journey through time where ancient legends come to life under the stars.

We’ll take you to the beautiful island where Philae Temple sits — a place that once served as a sacred sanctuary for Isis, the goddess of motherhood and healing. Originally built during the Ptolemaic era (around 380–362 BC), the temple was carefully relocated by UNESCO in the 1960s to save it from the rising waters of the Nile.

As night falls, the temple transforms into a stage where the history of Ancient Egypt is told through dazzling lights, sound effects, and powerful narration. You’ll walk through the temple’s majestic columns and ancient courtyards, all lit up in vivid color, as stories of gods, pharaohs, and the famous myth of Osiris unfold around you.
