Once you arrive, get ready to explore some of the city's most fascinating historical landmarks:

Qaitbay Citadel

Your first stop is the majestic Qaitbay Citadel, built in the late 15th century on the exact site of the legendary Lighthouse of Alexandria—one of the Seven Wonders of the Ancient World. This impressive fortress, constructed during the Mamluk era, offers breathtaking sea views and a peek into Alexandria's Islamic military architecture.

Catacombs of Kom El Shoqafa

Next, head underground into the eerie yet captivating Catacombs of Kom El Shoqafa. Dating back to the Greco-Roman period, this unique burial site combines ancient Egyptian, Greek, and Roman design elements, offering a rare glimpse into a cultural fusion that once defined Alexandria.

Take a break and enjoy a delicious lunch at a local restaurant, where you can sample the flavors of coastal Egyptian cuisine.

Pompey’s Pillar

Bibliotheca Alexandrina

End your Alexandria tour at the modern-day wonder, the Bibliotheca Alexandrina. Built in 2002 to revive the spirit of the ancient Library of Alexandria, this architectural marvel holds millions of books and serves as a vibrant cultural center dedicated to knowledge, history, and learning.
