Thereafter depart for the Western Desert in a 4x4 Land Cruiser with the highlight of the day being the enthralling view of the sinking sun against

the endless stretch of the sandy desert. When the day comes to the end, have supper and spend the night in a warm tent set up in the middle of the Western Desert starry skies

Day 2

Discovering the Desert Wonders

Breakfast is going to be in the Western Desert and there we will kick off the activities of the day which is crowned with the enchanting sights of the White Desert, before proceeding to Small Valley and then Agabat famous for exotic mineral stones. On the way back it’s a chance to appreciate the stunning views of the Black Desert and Mountain of Crystals, both of which are nature’s offerings but different in character.
