Gratuities/Tipping (Recommended). In Egypt, tipping is not an obligation but a sign of appreciation for good service. That being said, tips are expected from people that serve you—e.g., driver, waiter, train conductor, bellman, cruise ship staff, etc. The average tip is \$10-\$20 US dollars per day—this amount should cover everyone. So we advise you to carry change. If you don't want to deal with the tipping, you can give your guide a total sum in advance of all tipping requirements for your trip that your guide will dispense.
